We offer usual terms to those of known responsibility; otherwise 25 per cent cash must be accompanied with order and then shipment will go forward C. O. D. for balance.

Free packing and boxing will be allowed when cash accompanies order, however, no charge will be made on car or truck load shipments.

Your order is always filled with liberally graded Nursery Stock, fresh and with a good root system.

Due to labor shortage, we urge you to get your order in early in order that we may have plenty of time to take care of it. Remember too, that shipments will take more time in transit than ever before.
